Legend has it that the salt mines in Wieliczka were a part of the dowry of the Hungarian princess, Kinga, when she wed Bolesław the Chaste over 700 years ago, making the Wieliczka Salt Mine one of the oldest in all of Europe. Over the centuries, devout and superstitious, miners have carved fabulous figures, monuments and altarpieces out of its salt walls. These amazing works of art, in addition to the mine's historical importance, have earned the Wieliczka Salt Mine a place on the UNESCO World Cultural Heritage list. Our route through the mine leads you through galleries and chambers on three levels, from 64 to 135 meters below the ground, including the unique and richly ornamented Chapel of the Blessed Kinga. The route is 2.5 km long and you have to walk down 400 steps all told. The last stop in the mine is the souvenir shop and snack bar. From here, a lift carries you back to the surface. Price: PLN 270,- / per person

The raft trip down the Dunajec River through the Pieniny Gorge and along the Polish-Slovak border is one of the greatest tourist attractions in Poland. The towering cliffs and the limestone rock formations of the gorge itself plus the picturesque mountain scenery, the surrounding forest and the colourful river guides make for a wonderful day in a pristine and wild environment. For many centuries, the Dunajec valley formed an important trade route to Hungary and so Czorsztyn Castle (13th c.) and Niedzica Castle (14th c.) were built as strategic strongholds high on the cliffs on either side. Czorsztyn Castle was destroyed in a peasant uprising, but it has been partially restored and its ruins make for an adventurous visit. Niedzica Castle, in a delightful counterpoint, is in perfect condition. In fact, today, it is actually a working hotel in addition to housing a fine museum. Our trip begins at Niedzica Castle, then continues to the raft wharf in Sromowce Nizne and ends 15-km later in Szczawnica. It lasts two or three hours, depending on the water level of the river. While on the raft, you will enjoy excellent view of the high summits of Trzy Korony and Mt. Sokolica.
